I.

Violation of Mandatory Condition

The defendant shall not commit another federal, state, or local crime.

Violation of Special Condition

The defendant shall participate in a program (inpatient and/or outpatient) approved by the U.S. Probation Office for treatment of narcotic, drug, or alcohol dependency, which will include testing for the detection of substance use or abuse. The defendant shall abstain from the use of alcohol and/or all other intoxicants during and after completion of treatment.

Violation of Standard Condition No. 11

The defendant shall notify the probation officer within seventy-two (72) hours of being arrested or questioned by a law enforcement officer.

Nature of Noncompliance

On January 28, 2020, in South Lake Tahoe, California, Jeffrey Watts violated these conditions of supervised release when he was encountered by South Lake Tahoe Police Officer Brown who discovered

Mr. Watts operating a motor vehicle while intoxicated, as evidenced by his arrest for Driving While Under the Influence, in violation of 23152 (A) VC (1) and 23152 (B) VC (1). Mr. Watts submitted to a chemical breath test which indicated results of a blood alcohol level of .124 percent.

Mr. Watts was released from custody on January 28, 2020, and cited to appear in El Dorado County Superior Court on March 20, 2020. Contact with the District Attorney's office in South Lake Tahoe, California informed the case is pending review. As of this writing, Mr. Watts has not contacted U. S. Probation Officer Teresa Perez (USPO Perez) to advise of the arrest.

Violation of Additional Condition

The defendant is ordered to make restitution in the amount of \$4,636,643.00. Restitution shall be paid to the U.S. district clerk, 501 West 10th Street, Room 310, Fort Worth, Texas 76102, for disbursement to each of the victims.

Restitution is due and payable immediately, but if, upon commencement of the term of supervised release, any part of the \$4,636,643.00 in restitution ordered by this judgement remains unpaid, the defendant shall make payments on such unpaid balance at the rate of at least \$500 per month, the first such payment to be made no later than 60 days after the defendant's release from confinement and another payment to be made on the same day of each month thereafter until the restitution is paid in full.

Nature of Noncompliance

On July 9, 2019, the Court was advised of Mr. Watts's default status regarding restitution. No action was recommended and efforts to bring him current with restitution were instituted.

Mr. Watts is making attempts to become current by making weekly payments; however, is currently \$4,648 in default. USPO Perez is monitoring the payments and will advise the Court if other measures need to be taken.

It is respectfully recommended no action be taken at this time as the case remains pending and Mr. Watts will be participating in substance abuse treatment. The Court will be notified if additional action is warranted or if any further violations occur.

I declare under penalty of perjury that the foregoing is true and correct.
